

Training on Citywide Sanitation Planning

Dear Sir /Madam,

20/01/ 2011

We are happy to announce that the Training programme on Citywide Sanitation Planning will be held from 21st to 25th February 2011 at CASS Training Centre, Bangalore. This Training programme is being conducted in collaboration with the Ministry of Urban Development, Government of India under the 'Towards City Wide Sanitation' programme.

The **Consortium for DEWATS Dissemination (CDD) Society** is a not-for-profit organisation working in the field of decentralised basic need services across India. Decentralised solutions for wastewater treatment, water and energy supply, solid waste management and urban sanitation planning are successfully promoted for a decade now.

CDD Society in partnership with Bremen Overseas Research and Development Association (BORDA), Germany aims to create a knowledge base for up-scaling decentralised basic need services through its capacity building approach. It is towards this, that CDD Society has joined hands with MoUD to conduct a training programme for preparation of City Sanitation Plan as that is the need of the hour in the context of National Urban Sanitation Policy.

Eligible trainees are city managers, urban/regional planners, urban development professionals, the decision makers/ officials of Urban development departments, Urban Local Bodies, Para-statal agencies engaged in urban service delivery, researchers, academicians as well as professionals working with International/national funding organisations and NGO/CBOs experienced in urban planning, urban development or governance who are interested to acquire knowledge and skills on Citywide Sanitation Planning. Interactive sessions, exposure visit, practical workshop, analysis of case studies etc. is provided by an experienced training team from CDD, BORDA and different relevant organisations representing a good balance between academics and practitioners. The course has been carefully designed for a maximum of 20 participants. On successful completion of the training course, participants will receive a certificate from CDD Society.

We have sent invitations to many potential participants. Please feel free to forward this information including the attachment to other interested parties.

Please find enclosed the training brochure for more detailed information as well as the form to apply for the training. We request you to send back the filled application form before **5th February 2011**.As the seats are limited, relevant participants will be selected by an expert committee and informed as soon as possible.

Please feel free to get back to us in case you need further clarifications.

Thanking you,

With Best Regards,

Renu Mukunda
Executive Coordinator
