

SaciWATERs -CapNet Network

About Us: The SaciWATERs-CapNet Network (SCaN) is a platform for partnership towards capacity building in Integrated Water Resources Management (IWRM) across the South Asia region. It comprises of autonomous regional and national institutions and individuals committed to capacity building in the water sector. The network has been conceptualised by SaciWATERs in partnership with Cap-Net, an international network for capacity building in IWRM. The SaciWATERs hosts the network and acts as its legal, administrative and financial umbrella.

Vision: To strengthen the human and institutional capacity by adopting an integrated approach within water sector in South Asia region through education & training; research; knowledge based development; advocacy; and networking.

Objectives

1. Facilitating network members to conduct capacity building programmes in IWRM through partnerships;
2. Providing network members a platform for sharing skills, expertise and resources to strengthen and upscale their efforts and impact in IWRM;
3. Expanding multidisciplinary knowledge base in IWRM and its reach in the water sector.

Who can be a member?

The SCaN is open and inclusive and is operated based on mutual benefits and trust. It aims to integrate the available skills and knowledge, which is otherwise scattered throughout various institutes and disciplines. Individuals and institutions from varied disciplines interested in the capacity building activities in IWRM are welcome to join the network. Network members should be willing to share their expertise, experiences and resources.

Membership Benefits

1. Network members will be eligible to apply for funding to Cap-Net towards capacity building activities;
2. Members will also be eligible to participate in various capacity building activities organised by Cap-Net, SaciWATERs and their partners;
3. Additional benefits include sharing of resources; improved delivery capacity through accessing multi sectoral knowledge and skills; economies of scale; learning environment; enhanced impact; increased visibility, influence and prominence.
