

Concept Note Submission Guidelines

All the concept notes must be submitted online, whether you are applying as an individual member or an institutional member you have to fill up the online concept note form. You have to log in with your user name and password to fill up the online form, if you are not a member please kindly be a member of our mailing list and then log in to submit the concept note. Membership is free of cost.

How to submit a Concept Note to SANDEE

Click on “**Applications**” – this is on top-left of the web page.

Two options:

1. If already a *Member*

Type in “Username” and “Password”

You will reach the Concept Note page.

Please fill in the required information.

You have two options: “Submit” or “Save as Draft”.

Use the “Submit” option if you are sure that all the information is in. If you want to update it later before final submission please use “Save as Draft option.” .

2. If **not already a *Member***

If you do not already have a “Username”,

Click on “Individual Membership Form” to become a member.

Once you have successfully created an account go to step 1 and follow the sequence there to submit your concept note form.

While preparing the concept note for SANDEE, please follow the following guidelines

The total length of your concept note should not exceed 1500 words. Concept note with more than 1500 words will not be reviewed. Find below the sample of the online concept note submission form. **Please note, this words limit is applicable to items G – O only, and each of these sections has its own limit. If you are preparing your proposal as a Word file, before uploading it to the website, select sections G- O, and go to tools→word count, and see if your text is within the 1500 words limit.** If it is within limit, then open the online form, and copy and paste all subsections appropriately before submitting. In your pre-proposal, please provide the following information:
