

# EU-INDIA STI COOPERATION DAYS 2012

Hyderabad, 8-9 November

Scientific conference & networking event  
Thematic focus: Water

The 3<sup>rd</sup> Edition of the EU – India Coop Days will take place the 8 and 9 November in Hyderabad at the National Geophysical Research Institute (CSIR- NGRI). This joint event, focusing on water related challenges is organized by New INDIGO, Euraxess links India, EBTC and INDIA GATE. The EU India STI Coop Days 2012 will bring together scientists, policy makers and representatives from the industry in a great opportunity to exchange around water-related challenges.

You are warmly welcome to attend the event and:

- take part in a **Scientific Conference**, where the results of joint projects between the regions will be presented
- learn about **bilateral and multilateral funding opportunities** for EU-India STI cooperation
- participate in **discussions on Technology Transfer** issues between the two regions
- discover the **posters of young-talented** scientists
- **network with scientists, SMEs and industries** and discuss new opportunities for cooperation in a dedicated brokerage event
- participate in a **fruitful dialogue on the future of EU-India Cooperation**

More than 150 participants, from industry and academy as well as policy makers are invited to attend this conference. Participation is free of charge upon prior registration.

For more information and registration, please visit [www.euindiacoop.org/2012](http://www.euindiacoop.org/2012)

For any questions, please do not hesitate to contact the organizers: [coopdays@euindiacoop.org](mailto:coopdays@euindiacoop.org)

The Event committee welcomes you to take part and interact with other people interested in EU India STI Cooperation in the field of water!

A joint event organised by:

Hosted by the National Geophysical Research Institute (CSIR- NGRI).

Co financed by the European Commission through the involvement of several projects.
